

Pests of National Concern for Fiscal Year 2009

Commodity	Scientific Name	Common Name
Citrus	<i>Candidatus Liberibacter africanus</i>	Citrus greening (African strain)
	<i>Candidatus Liberibacter asiaticus</i>	Citrus greening (Asian strain)
	<i>Ceroplastes destructor</i>	Soft wax scale
	<i>Ceroplastes japonicus</i>	Japanese wax scale
	<i>Eudocima fullonia</i>	Fruit piercing moth
	<i>Meloidogyne citri</i>	Citrus root-knot nematode
	<i>Meloidogyne donghaiensis</i>	Citrus root-knot nematode
	<i>Meloidogyne fujianensis</i>	Citrus root-knot nematode
	<i>Meloidogyne indica</i>	Citrus root-knot nematode
	<i>Meloidogyne jianyangensis</i>	Citrus root-knot nematode
	<i>Meloidogyne kongi</i>	Citrus root-knot nematode
	<i>Meloidogyne mingnanica</i>	Citrus root-knot nematode
	<i>Paratachardina pseudolobata</i>	Lobate lac scale
	<i>Planococcus minor</i>	Passionvine mealybug
	<i>Scirtothrips dorsalis</i>	Chilli thrips
	<i>Xanthomonas axonopodis</i> pv. <i>citri</i>	Citrus canker
<i>Xylella fastidiosa</i> CVC strain	Citrus variegated chlorosis	
Cyst Nematodes	<i>Globodera pallida</i>	Potato cyst nematode
	<i>Globodera rostochiensis</i>	Golden nematode
	<i>Heterodera cajani</i>	Pigeonpea cyst nematode
	<i>Heterodera ciceri</i>	Chickpea cyst nematode
	<i>Heterodera filipjevi</i>	Cereal cyst nematode
	<i>Heterodera latipons</i>	Mediterranean cereal cyst nematode
	<i>Heterodera sacchari</i>	Sugar cane cyst nematode
	<i>Punctodera chalcoensis</i>	Mexican corn cyst nematode

Exotic Woodborer
/Bark Beetle

Agrilus planipennis

Emerald ash borer

Anoplophora chinensis

Rough shouldered longhorned beetle

Anoplophora glabripennis

Asian longhorned beetle (ALB)

Callidiellum rufipenne

Lesser Japanese cedar longhorned beetle

Chlorophorus annularis

Bamboo longhorned beetle

Hesperophanes campestris

Chinese longhorned beetle

Hylurgops palliatus

Lesser spruce shoot beetle

Hylurgus ligniperda

Red-haired bark beetle

Ips sexdentatus

Six-toothed bark beetle

Ips typographus

European spruce bark beetle

Monochamus alternatus

Japanese pine sawyer

Orthotomicus erosus

Mediterranean pine engraver beetle

Pityogenes chalcographus

Spruce engraver

Sirex noctilio

Sirex woodwasp

Tetropium castaneum

Black spruce beetle

Tetropium fuscum

Brown spruce longhorned beetle (BSLB)

Tomicus minor

Lesser pine shoot beetle

Tomicus piniperda

Pine shoot beetle

Trypodendron domesticum

European hardwood ambrosia beetle

Xyleborus spp.

Xylotrechus spp.

Grape

Adoxophyes orana

Summer fruit tortrix moth

Autographa gamma

Silver Y moth

*Candidatus Phytoplasma
australiense*

Phytoplasma yellows

Copitarsia spp.

Epiphyas postvittana

Light brown apple moth

Heteronychus arator

Black maize beetle

Lobesia botrana

European grape vine moth

Phellinus noxius

Brown root rot

Planococcus minor

Passionvine mealybug

Spodoptera littoralis

Egyptian cottonworm

	<i>Spodoptera litura</i>	Cotton cutworm
	<i>Thaumatotibia leucotreta</i>	False codling moth
Oak	<i>Adoxophyes orana</i>	Summer fruit tortrix moth
	<i>Aeolesthes sarta</i>	City longhorned beetle
	<i>Agrilus biguttatus</i>	Oak splendour beetle
	<i>Archips xylosteanus</i>	Variegated golden tortrix
	<i>Curculio elephas</i>	Chestnut weevil
	<i>Epiphyas postvittana</i>	Light brown apple moth
	<i>Erannis defoliaria</i>	Mottled umber moth
	<i>Gymnopus fusipes</i>	Root rot
	<i>Leucoma salicis</i>	Satin moth
	<i>Lymantria dispar</i> (Asian strain)	Asian gypsy moth
	<i>Lymantria mathura</i>	Pink gypsy moth
	<i>Ophiostoma quercus</i>	Bluestain fungus
	<i>Phytophthora quercina</i>	Oak decline
	<i>Platypus quercivorus</i>	Oak ambrosia beetle
	<i>Raffaelea quercivora</i>	Japanese oak wilt
	<i>Scolytus intricatus</i>	European oak bark beetle
	<i>Spodoptera littoralis</i>	Egyptian cottonworm
	<i>Thaumatotibia leucotreta</i>	False codling moth
	<i>Tortrix viridana</i>	Green oak tortrix
	<i>Tremex fuscicornis</i>	Tremex woodwasp
Pine	<i>Dendroctonus micans</i>	Great spruce bark beetle
	<i>Dendrolimus pini</i>	Pine-tree lappet
	<i>Dendrolimus superans</i>	Siberian silk moth
	<i>Hylobius abietis</i>	Large pine weevil
	<i>Leptographium truncatum</i>	Root disease
	<i>Lymantria mathura</i>	Pink gypsy moth
	<i>Monochamus saltuarius</i>	Japanese pine sawyer
	<i>Monochamus sutor</i>	Small white-marmorated longhorned beetle
	<i>Tomicus destruens</i>	Pine shoot beetle

PPQ Domestic Program	<i>Phytophthora ramorum</i>	Sudden oak death
	<i>Plum pox virus</i>	PPV
Small Grains	<i>Autographa gamma</i>	Silver Y moth
	<i>Cerutuella virgata</i>	Maritime gardensnail
	<i>Cochlicella</i> spp.	
	<i>Copitarsia</i> spp.	
	<i>Helicoverpa armigera</i>	Old world bollworm
	<i>Heterodera filipjevi</i>	Cereal cyst nematode
	<i>Heterodera latipons</i>	Mediterranean cereal cyst nematode
	<i>Heteronychus arator</i>	Black maize beetle
	<i>Lobesia botrana</i>	European grape vine moth
	<i>Meloidogyne artiellia</i>	British root-knot nematode
	<i>Nysius huttoni</i>	Wheat bug
	<i>Peronosclerospora philippinensis</i>	Philippine downy mildew
<i>Spodoptera littoralis</i>	Egyptian cottonworm	
<i>Spodoptera litura</i>	Cotton cutworm	
Soybean	<i>Adoxophyes orana</i>	Summer fruit tortrix moth
	<i>Alectra vogelii</i>	Yellow witchweed
	<i>Autographa gamma</i>	Silver Y moth
	<i>Cerutuella virgata</i>	Maritime gardensnail
	<i>Chrysodeixis chalcites</i>	Golden twin spot moth
	<i>Crociosema aporema</i>	Bud borer
	<i>Eutetranychus orientalis</i>	Citrus brown mite
	<i>Helicoverpa armigera</i>	Old world bollworm
	<i>Spodoptera littoralis</i>	Egyptian cottonworm
